Dear Parent/Guardians,

Hello Burch Creek Families!!

As of June 30, 2022, breakfast and lunch will no longer be free for all students for the upcoming school year 2022-2023. Also, there will **NOT** be a grace period this year while waiting to qualify for free/reduced meals and the full amount will be charged to your child's account from the first day they eat. We will be accepting free/reduced meal applications starting **July 1st 2022** for this upcoming school year. You may contact your school, after the 1st of July, if you would like to fill out a paper form. You may also go to the Child Nutrition office which is located at 955 W 12th ST Ogden, UT 84404 OR you can also access the application on the Weber School District Portal by doing the following:

1. Go to Weber School District Website (wsd.net).
2. Click on the My Weber tab up on the right and sign in or sign up if you haven't, yet.
3. Once signed in you will Click on the Tools tab
4. Then Click on Meal Application and start your process.

Please double check all info after you have filled it out to make sure everything is correct before submitting. Once you submit, you cannot go back in to fix anything. This process is quite fast and the district should email you about their decision within 3-4 days.

As a Title I school, Burch Creek is identified through the percentage of free/ reduced lunches that we have. Title I schools receive extra funding that supports the following, and more:

- Highly Qualified teachers and aides
- Reading Aides
- Student supplies and materials
- Family engagement activities
- Full day Kindergarten classes
- Full-time counselor
- Professional Development Workshops
- Title I Coordinator

Another opportunity made available through the free/reduced meal applications is the FFVP (fresh fruit and vegetable programs). If qualified, the FFVP gives our students a chance to try various types of fruits and veggies. For these many reasons, we encourage everyone to apply for our free/reduced breakfast and lunch program, which also helps our school out.

If you have questions, please don't hesitate to contact me by phone or email.

Sincerely,

Melissa Yarrington
